

STOALS, Etc., Institute ("S.E.I.")

Capabilities Statement

"WORKING WITH TODAY'S WARFIGHTERS AND PUBLIC SERVANTS TO MEET TOMORROW'S CHALLENGES ON THE HOME FRONT AND ON THE FRONT LINES"

About Us

STOALS (Special Tactics Operators' Advanced Life Support) Etc., Institute ("S.E.I."), is an SBA-Certified 8(a) and Service-Disabled Veteran Owned Small Business (SDVOSB) specializing in coordinating and managing training courses for government and civilian agencies. S.E.I. is owned and managed by two former senior ranking Air Force Pararescuemen (PJs). Anthony Negron, owner, is a 28-year USAF veteran, formerly the ACC Pararescue Functional Area Manager with 10-years of tactical operations experience in Air Force Special Operations Command to include Joint, 10-year operations experience in Air Combat Command.

S.E.I. has arranged and facilitated a wide variety of training courses in the areas of medical, leadership, mountaineering, firearms, and tactics. Headquartered in Barrington NH, S.E.I. brings experienced special operations warfighters in to help today's units prepare for future threats in non-permissive environments. With a constantly changing battlespace, it is imperative that you have the most current tactics, techniques, and procedures at your disposal to ensure mission success and the return of your team.

Core Competencies

S.E.I. specializes in offering courses for Special Operations, to include Tier 1 and Elite Forces, to help prepare Operators and team for any obstacle or conditions that may try to hinder in your ability to complete your mission safely.

- **Medical:** Tactical Combat Casualty Care (TCCC); First Aid; National Registry Paramedic Recertification; Basic Life Support (BLS); Advanced Cardiac Life Support (ACLS); Pediatric Advanced Life Support (PALS); Tactical Emergency Casualty Care (TECC)
- **Mountaineering:** Extreme Cold Weather Training; Collapse Structure; Patient Movement; Rope Rescue
- **Shooting:** Weapons and Tactics Skills; Close Quarters Battle (CQB); Reactive Target Training; Ballistic Drills; Shoot/No-Shoot Scenarios
- **PRODEV - Professional Development Training:** Leadership Training; Mentorship Training; Communication Training; Project X; Military Decision-Making Process (MDMP); Operational Readiness; Operational Advancement

Past Performance

Differentiators

- **Custom-Crafted Courses:** S.E.I. offers flexible "build-up/build-down" course packages specific to client requirements. Simple to complex, on-site or remote, and mobile training are all options.
- **Expert-in-field instructors:** S.E.I. selectively and discriminately seeks out and contracts experts-in-field and subject-matter-experts to conduct its courses. This includes former elite military members and internationally renowned specialists.
- **Diverse training environment and location(s):** S.E.I. is the industry leader in providing training in diverse operational techniques and certifications, including American Heart Association and EMT National Registry for military personnel around the globe (CONUS and OCONUS offerings). This includes, but is not limited to, training venues such as Presidential Mountain Range, NH, Jackson Hole, Yosemite Mountain Range, Yellowstone National Park, and Costa Rico.
